

Inside the VAFA

2005 – The Highlights

With the season drawing to a close, it's time to look back on some highlights from Season 2005 that we'll be talking about for years to come....

The Game

Yes, it was only six days ago, but the Club XVIII Grand Final between St Kevin's and Old Xaverians will live in the memory for years to come. Chasing an unprecedented ten straight flags, Xavs looked to have it in the bag with 6 minutes to go but Skobbers Tom Crowley (2) and John Fox kicked late goals to herald a massive upset

The Ice Man

With seconds to go in last week's crunch game between Old Trinity and Old Xaverians, scores were level and Trinity were looking B Section firmly and squarely in the eye. Small forward Andy Cultrera coolly gathered the ball, measured his options and slotted a goal from a tight angle in what may prove to be one of the most important kicks in amateur football for many a year. "I just want to say one thing about today – I'm so proud of you", said Trinity coach Leigh Carlson after the game, though it's a wonder he could speak at all.

The Star

In the late 90s, Geelong's Paul Corrigan was given his marching orders by the then coach Gary Ayres after playing 60 odd games. Corrigan then walked into a premierships team on the Mornington Peninsula and later joined his old school friends at Old Haileybury. After knee problems last year, his 2005 season has been a cracker, with state representation, a minor premiership and favoritism for the Woodrow Medal. He is arguably the best player in Amateur football and will be a must see for VAFA fans in September.

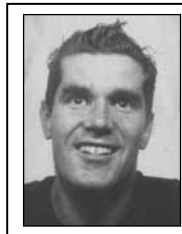

The Coach

Uni Blacks' Anthony Parkin is just one game away from doing what most thought impossible: coaching the Blacks from D Section into B in twelve months. Similarly, Collegians' Pat Hawkins turned his side from C Graders into an impressive A Section outfit though he will need the performance of a lifetime to

defeat the minor premiers today and avoid the drop.

The Year of the Sharpshooter

Peninsula OB's Shaun Payze needs just nine goals to become the first centurion of the year. Hot on his tail is Ajax's Julian Kirzner (86), Ormond under 19 player Rob Chisholm (87), Old Scotch's James Gerstman (80) and North Old Boys' Simon Minton Connell (74). Despite missing several games with injury, Gerstman is still a realistic chance to become the first A Grade 100 goal kicker since 1980.

The AFL Influence

Success at the highest level doesn't necessarily equate to success at the amateur level. St Kevin's found that out the hard way with high profile recruits Simon Garlick and Steve McKee having modest seasons while Carl Steinfort's efforts for Old Haileybury have been overshadowed by a band of lesser known team-mates. Nevertheless, both David Loats and Richard Taylor were instrumental in helping Old Camberwell snare an unlikely finals berth while Old Paradisi's Daniel Harford and Uni Blacks' Judd Lalich and Chris Groom were also vital cogs in their sides' finals push.

The Resurgence of the District Clubs

Not long ago, every amateur side lived in fear of district clubs such as Ormond, Coburg and Parkside. If the D Section exploits of Ormond and Fitzroy Reds are anything to go by, the district clubs are back in town. Both look odds on to be promoted whilst Beaumaris, Parkdale, Prahran, Werribee and Elsternwick are others to have had stellar seasons.

The Future

With a trip to Ireland, a changing of the status quo and an increasingly high standard of competition, the VAFA couldn't be healthier. Here's hoping your club tastes some September success and continues to flourish in 2006 and beyond.

The Wash Up

Quite a season hey? To think, it's only really just beginning. Here's how your side fared in 2005.

Old Haileybury: A stellar year, a good coach and a much better run with injuries. Question without notice: Do they have enough talent in their bottom six to snare an A Section flag?

Best & Fairest: Paul Corrigan, from Andrew Jenke and Mark Secull.

Uni Blues: Humming along nicely after a pretty average patch earlier in the year. Not the powerhouse they were last year but starting to click at the right time and all the injured players are fit and firing.

Best & Fairest: Raffle Luke North, Liam Ryan, Mark Paterson and Andrew Lowcock. All have had even better seasons than 2004.

Old Scotch: I sacked 'em a few months ago but now it's a case of "Hi Ho Hornet" 'cos I'm back on the bandwagon. My premiership pick.

Best & Fairest: James Gerstman from Cam McKenzie McHarg and Andrew Pugsley.

Old Xavs: Trouble brews. Apart from a purple patch in winter where they spanked the top four teams, a pretty unconvincing year. I still like their list but there are a lot of question marks down back.

Best & Fairest: Cadyn Beetham has had a slashing year though Cam Purss, Damian Lynch and Adam Chatfield will give him a good run for his money.

Marcellin: Great young side but found wanting against quality opposition. 5th is a good result given the losses over summer and the number of youngsters blooded.

Best & Fairest: Brett Dobson in a chunky canter from Joel Rice and Dallas Jarred

St Bernard's: All over the shop but they did well to hang on. The sort of team that could have fallen apart completely had they been relegated but now all the processes are there to rise to their rightful position.

Best & Fairest: Nick and Chris Mitchell both had great years

Old Melburnians: Just a typical year for OMs. Neither here nor there. Barely registered on the radar until the mandatory shock win that turned the competition on its head. Be very afraid Scotch, for this mob traditionally pulls out two shocks a year and they're about due.

Best & Fairest: Jono Miller or Jacob Berry.

Old Trinity: First things first, how about Andy Cultrera and the win last week! Lost three stars in Williams, Neville and Kennedy and came home strongly after a tardy start. Too good a side to be playing B Section.

Best & Fairest: Andrew Ramsden to take out his 6th award from David Beardsley.

Collegians: If they drop, they will be desperately unlucky. Always competitive, fielded a team of no names and pretty much proved everyone wrong.

Best & Fairest: Has to be the very consistent Chris Blumfield though Jono Dixon is another who has stepped up to the rigours of A Section football.

St Kevin's: Saw them quite a bit and they were a virtual carbon copy of De La last year. Competitive in almost every game, bar for about 15-20 mins when the floodgates opened. McKee and Garlick were fizzers but they did have a wretched run with injuries.

Best & Fairest: Luke Mahoney from daylight and possibly Ryan Chard, who is certainly a great player to watch.

So it's come to this...

Firstly, let's tip Marcellin to beat St Kevin's in the dead rubber.

OK, let's then go totally against the grain and tip some upsets.

Let's assume that OMs, being OMs, will totally throw things into a tailspin and defeat Old Scotch. Let's assume that Bernard's, being Bernard's, will pull one out of nowhere and knock off Trinity at the Snakepit. Let's then assume that Haileybury, with the double chance sown up and some key players rested, will drop one against Collegians who will be playing like their lives depended on it.

And let's finally assume that Xavs, being Xavs, will click into finals mode at the exact moment when everyone is writing them off and claim the double chance.

Is that a flying pig I spy!

More likely scenario of course, will see Scotch get the double chance and Collegians make the drop along with St Kevin's. Should be a great day.

CARLTON DRAUGHT

MILESTONES

Old Trinity - congratulates **David Beardsley** who today plays his **100th** game for Old Trinity against St Bernards. "Beardo" began with Old Trinity in 1996 and from 1997 has always played in the seniors predominately at Full Back. From 1999 to 2004 David was lost to football whilst he pursued a career as a fast bowler in Premier cricket with Prahran and the Camberwell Magpies. Since his return last year David has stamped himself as one for the most formidable fullbacks in A Grade. A great clubman with a unique sense of humor, it's great to have you back "Beardo".

Old Scotch - congratulates **Jeremy Sutcliffe** who notched up **200 games** in amateur football last Saturday against St.Kevins. After playing 161 games with Old Trinity "Sutters" joined Old Scotch in 2003 and immediately slotted right in, quickly earning respect from team mates and everyone at the club for his dashing play and great personality. Although now more often seen giving constant drive in the Reserves, most of his football has been played in the 1's which well qualifies him for his gift of being able to help, encourage and guide the rookies breaking into senior football. Well done "Sutters"...your next objective a premiership this year, and then on to 100 games with Old Scotch.

Old Melburnians - congratulates **David Holme** on reaching his **150-game** milestone this weekend. Since debuting in 1996 when he claimed the Under-19 best and fairest award, Homer has strung together 10 years with the club, playing predominantly in the seniors. Club champion in 2000, Homer tasted the ultimate glory in 2002 when he played a pivotal role in our premiership success, coming second in the club's best and fairest that year. With work taking Homer to Singapore next year, the OM's faithful will have to wait a while before getting another chance to see the gentle giant donning the navy blue. Congratulations Homer!

Old Xaverians - congratulate **Sam Johnston** on his **100th game** today against Uni Blues - from the College in 2000 Sam played in the Reserve premiership sides 2001-02, was was club B&F 2002 and was a member of the Senior premiership team in 2003, well done Sam. 20 yo ruckman **Cameron Purss** plays his **50th game** today. Cam came to the club from the College in 2003 playing in the U19's - 2004 saw a full season in the Seniors - representing the VAFA U23 and Senior team in 2004 and the U23 team this year. Congratulations Cam. **Richard Carey** earlier this year played his **100th game** for Old Xavs. From the College in '99, Richard played in the U19 premiership in '99 and the reserve premierships 2000-01 and the senior premiership in 2003. Well done Richard.

REVIEW

Would love to write about how well **MHSOB** and **Old Essendon** played in their respective victories over **Caulfield Grammarians** and **Mazenod** but as we come to the end of the year silence seems to be the operative word.

Perhaps a missed opportunity for the Tigers with relegation stakes still alive. **Whitefriars** dominated early but the young Tiges were steadfast in defence and did their best to hold them out. St Bedes got back to within 3 points in the last term and looked set to run away with it but the Friars steadied surged and kicked the final 3 unanswered goals to win their second game in ten weeks. The Wintle's Luke and Michael were great players all day, as were AFL men Luke Beveridge and Leigh Capsalis.

Old Ivanhoe totally cemented top spot with a big win over **NOBS**. It was a goalfest for the Hoers but by no means did NOB throw in the towel and they must be admired for their competitiveness. Despite Brad Thompson's best efforts SMC still kicked 4 twins to show what a penetrative force he is. How many would he kick if playing for the Hoers???

Beinke, Branigan, Cornelius, Lochran, Low, the veteran's George Haros and Rowan Weddle all had absolute field days for the red hot flag favourites. Have you ever been in a rabbit warren? Well you would have thought so if you were down at South Road on Saturday as the little **De La** fellows just burrowed in and under and ran and ran. They were too quick too decisive and used the ball far better than the home side who now must face the reality of third spot. Jervis brilliant for DLS, while Andrew Edge, and Jon Perrett were the **Tonnners** best.

"Perhaps a missed opportunity for the Tigers with relegation stakes still alive."

PREVIEW.

After their highest placed finish in many grades for many years **Caulfield Grammarians** make the short trek down the road to tackle **De La**. Pride is all that is at stake today for the Fields as they try

to make a big impression on a DLS side that are just warming up for a serious tilt at promotion. DLS at home to win.

Sportscover sees a beauty. **MHSOB** must win to play finals, **Mazenod** must win on the premise that the Tigers might to keep themselves in B Section. Been a bit inconsistent the Unicorns of late whist Noddors despite not winning have been playing OK. Like the big ground do MHSOB so this with finals looming will be enough.

Tough task at any time to win at Park Orchards no matter what your ladder position, I know the **NOBS** would love to finish the season on a high note but try as they might they and even with the motivation of perhaps Luke Boyle's last game I just cannot see it happening.

Old Essendon look forward to the arrival of **St Bedes Mentone Tigers** as they try to pinch a finals spot from MHSOB. Russell Barnes and his young side will put the pressure on and take the game right up to the Bombers but at the school you can't go past the home side.

Perhaps a preview of one of the finals as **Old Brighton** and **Old Ivanhoe** lock swords at South Road. Disappointing last week the Tonnners while try as you might you just cannot fault the Hoers. Must give Brighton a chance as they won the first encounter, but a lot of water has gone under the bridge sine then. Even at the beach I have to stay with the chocolate browns.

M I MILESTONES E S

Caulfield Grammarians - congratulate **Simon Thompson** for playing his **100th** game last Saturday. Thommo joined us after a couple of seasons at Ormond and early in his career at The Fields played most of his footy in the seniors. His bone shattering bumps have been a trade mark over his 100 games, and is often regarded as the best disposer of the footy by either foot at our cub. Well done Thommo from all of your mates at CGFC.

Old Essendon - congratulates **Daniel Ryan** who played his **100th** game recently. Daniel is one of our most respected and admired competitors. A former B & F winner he is a tough and courageous mid fielder. Daniel commenced his career in the senior team back in the year 2000 as an Under 19 player who quickly found a spot in the senior team with his hard running and in and under style. Daniel along with your parents we are both proud of you and look forward to you playing many more great games for the club.

St Bedes Mentone Tigers - **Aaron Connolly 100 Games.** Aaron joined the Tigers Under 19 team in 1998 and soon impressed with his athleticism and potential. That summer Aaron was seriously injured in a car accident which saw him not return to football until 2001 where he debuted in the senior team. Since that time Aaron has been our Seniors pocket rocket ruckman whose perseverance and courage matches his great ability to swing games the Tigers way. Congratulations to a great clubman on reaching 100 games for the club.

North Old Boys - congratulate **Tony Brady** who played his **50th game** for the club last week. Since arriving from Tatyoon in 2002, Tony has been a favourite of the North faithful, who appreciate his courage and his uncompromising and unwavering attack on the football. Time and time again you'll see Tony charge through a pack, come out the other side with the T.W leaving a trail of players in his wake. Another fine product of the St Patrick's, Ballarat football factory, Tony was the original and some say the best of NOB's current crop of Brady's. Well done Tony.

Coaching philosophy: keeping the enjoyment of playing grassroots football at a premium.

Future Ambition: to help St. Mary's AFC maintain a strong and successful club both on and off the ground and to be the most successful coach St. Mary's has ever had.

Senior Coach of the Month – June

NAME: Tim O'Shaughnessy **CLUB:** AJAX **SECTION:** C

PLAYING HISTORY:

COACHING HISTORY:

Old Xaverians 1998-2002

Ajax Director of Coaching 2003-2004

Senior Coach 2005

COACHING PHILOSOPHY:

I am an advocate that good players make good coaches and great players make even better coaches. Amateur footballers must be motivated to play; you need to create an environment where they want to play. For this to happen you need a good atmosphere around the club. Competent administration, a plan on how to play with what players you have.

Sound leadership from the Coach and Senior players.

FUTURE AMBITION:

To continue in sport and to enjoy my involvement particularly Australian rules and Athletics.

SEASONS' THANKS FROM MHSOBF

Grateful thanks to all sponsors, members and supporters who have participated in, and contributed to, a great 2005. Coming up a level after winning the C Grade premiership in 2004 has not been without its difficulties, both on and off the field. However, in the

end, we can all be extremely proud of the efforts of all our players in all four teams for their performance in 2005. Let's hope that today's results go our way and we have the seniors and reserves in finals action. Best wishes to all.

The Wellers stood up when it mattered most and courageously booked their finals place toppling the pace setting Blacks. The Vultures will rue missed opportunities throughout the year, failing to advance, despite one of their season's finest wins against the Jackas. Congratulations to Blacks, Sharks, Paradians and OC, not only the Seniors best four sides, but the Reserves as well. This is what footy is all about and gentlemen, your teams future is in your hands. Seize the Footy!

"The Wellers stood up when it mattered most and courageously booked their finals place toppling the pace setting Blacks."

REVIEW

Down at the half, spirits were still high in the **Weller** rooms in their must win clash with the **Blacks**. With Lowrie and Mitchell on top and Hardman controlling his wing, OC took a slender advantage into the last term. With it all on the line, the Wellers tackling and attack on the ball were fierce and they held Uni scoreless and rightly earned their right to continue their crack at B grade. Blacks know there are bigger fish to fry this weekend, Barry, Kempton and Costello were better contributors.

Parkdale were away slowly against **Ajax**, but once they worked into the game the undermanned Jackas were always going to have their hands full. Ryan and Macgeorge snared more than half of the teams 21 majors and despite Segal at half back, Lewski and Duzenman battling on, the game for Ajax was gone, along with their finals place early in the last term. The Vultures excitement at the victory was curbed as word filtered through of the OC result.

After three hard fought quarters, **Hampton Rovers** threatened to upset **OP's** finals campaign, but the visitors through Gale and Hughes managed to edge clear and record a narrow victory. Burggeraaff,

McCarthy and Power were valuable Rovers.

Banyule challenged **Beauy**, however the second semi finalists always looked the winners. O'Connell and Taylor continued their strong Bear form, whilst Catlin, Graham & Atkins helped ensure the Sharks took winning ways into this week.

Monash rounded off '05 with a strong showing against **Therry**. The TP lads worked their way close in the third term, but that was the sign for the Ashers to hit the after burners and ran away with the contest. Mudgee, Tinkler and Bains led the way whilst Nancarrow, Crotty and Forster-Knight were the home teams best.

PREVIEW

I may not have thought they would make it, but now they are there, OC may just show they are not making up the numbers and are definite wildcards. OP's form all season has been difficult to get a handle on, however they have slayed the ladder leader twice and with their tails firing will be a handful for any side. Beauy have quietly gone about their business and any team that loses just four games for the season are a side to be reckoned with. The Blacks have purred along all year and a club that has conceded 17 fewer goals than its nearest rival deserves to be flag

favourites. However, as we all know, finals football doesn't always follow the normal script and anything can happen..... and usually does!

2nd Semi **Final** Uni v Beaumaris

The Sharks have just the seventh best scoring record in the competition and their ability to kick a winning score will be further hampered by the miserly Blacks defence. Uni have spied off a place in B grade for much of the year and now that they have the chance to clinch it they will not waste it.

1st Semi Final OP v OC

Undoubtedly this game could go either way. Both teams have talented tall and strong onballers. After such a massive win last weekend, OC may not be able to recreate the effort required to prevail, but having held sway against OP in their two earlier tussles I think they have at least another one in them and will march to the preliminary final.

MILESTONES

Ajax - Brett Duzenman reached a milestone against Parkdale with his **250th game**. Brett's career commenced as a bench player in the under 19's in 1992 after rarely missing a game with the AJAX little league since Under 8's. 250 games later he has been a premiership player and a consistent top 10 vote getter in the Senior best and fairest award. He rarely missed a training night in all these years. His game has been based upon his natural foot speed, long kicking to position and consistency. Well done "Duzy" you have been a pleasure to watch and we hope that you will provide your supporters many more games and become the Club record holder.

Former Medallists make good umpires

Is Paul Matton the first Woodrow medallist to have umpired a VAFA Grand final (he umpired the Club XVIII Section 2 GF last weekend)? Perhaps he is the first VAFA B&F winner over all sections to have umpired a Grand Final? Not so says Norm Nugent, Sam Birtles won the Woodrow Medal with Hampton Rovers in 1949. He umpired the E Section (now D2) Grand Finals in 1954 and 1958. Other possibilities are Michael Nugent, De La Salle Under 19 (2) in 1976 and Jack Rose, E Section Preston 1954. Ken Jorgenson is another with an unusual record. He was a V.A.F.A, carnival player in 1964 and later was the V.A.F.A. Umpire at a carnival.

28 out of 41 still alive for \$10,000

Forty-one entries were received in the Sportscover Pick the 7 Premiers competition and twenty-eight of those are still alive with the C - D4 Finals commencing this Saturday. Eight clubs - Bentleigh, Old Trinity, Prahran, Powerhouse, Marcellin, St Kevin's, Banyule and Old Caulfield still have 2 entries alive. Good luck to those teams as Sportscover are desperate to give away the cash!

Albert Park Users - we all need to act NOW!

Parks Victoria has decided to install parking meters in and around the sports fields in Albert Park, a decision that will affect all users whether they are residents or visitors. They will operate from 6am to 10pm seven days a week.

The cost will be \$50 for 6 months or \$100 for 12 months. On a casual basis it will be \$6.60 for 3 hours on weekdays, but on weekends there will be no time limit.

YOU ARE URGED TO CONTACT BOTH THE MINISTER - JOHN THWAITES AND PARKS VICTORIA TO EXPRESS YOUR OPINION.

You are also urged to write letters to the newspapers, both local and metropolitan and contact talk back radio. It is only through a groundswell of community action that this matter will be addressed. Apathy will result in a fait accompli.

This is URGENT - please act now!

Minister John Thwaites; Ph: 9699 6755; email: john.thwaites@parliament.vic.gov.au or

Parks Victoria Manager - Chris Hardman; Ph: 9695 9000; email: chardman@parks.vic.gov.au

LAST WEEK

Ormond beat the brave **Glen Eira** in a good preparation for their finals series. Monds had great games from Miller, Dale Robbins, & Bailey. Devries & Pryde did well for the Saints, and Farah showed he should be a gun player in the near future.

The **Animals** finished 2005 with a strong win over the **Bloods** but no doubt a bad taste lingered over last week's disaster! Steve Ronchi & Steve Buckle provided drive from HB, Stumpy Fennell did well up forward & Anthony Ballard had another top game in the Ruck. Bobby Moran at CHF & Leigh Toomey OtB starred for the Bloods.

Old Mentonians made sure **Prahran** hated their visit to Keysborough by giving the visitors a pumping. Peter Flaskis C, Michael Basile F, & Anthony Palmer were great contributors to the Panther's victory! For Prahran, Will Walford, Adam Sleight & Ziggy Sicluna stood out on what was not a good day!

"Graham Burgen must feel pretty damned confident about the finals."

Bulleen-Templestowe & Yarra Valley finished their seasons with a blinder won handsomely by the home side. Wingers, Florence & Tehan starred for the Bullants, with Wise effective in the middle. Michael Rockicki managed to contain Dean Matthews for Yarra, Ben Nicholas was effective OtB, Phil Valoppi had a real Captain's game, & Michael "The Extractor" Wines did well through the middle.

Fitzroy Reds gave **Old Carey** at **Punt Rd Oval** the biggest walloping they'd had since R18 of 1994, when Richmond Central kicked 29 goals to the Cs 1 to secure 4th spot & eventually the Flag! Reds ball handling, kicking, pace, & tactical skills was far superior to anything the depleted Cs could muster on the day, so Graham Burgen must feel pretty damned confident about the finals! Reds' Dullard, both F & B, Zika, Cahill, Cianti & Maghamez & 17 others were all too much for the Cs, of whom Thompson, Evans, Unkles & Smith were able to stem the Red flood occasionally.

2nd SEMIS

SATURDAY SENIOR

Fitzroy Reds v

Ormond turned on a sensational 1st Semi in 2004, so we really look forward to this game! Reds have had the wood on the Monds at both H & A meetings, but Finals ARE different! Both teams are awash with skills & pace (Reds even have it personified in Angel!) & multi-pronged attacks; but Graham Burgen's pride & joy is his clutch of rebounding defenders. With players like Dullard & Drury, who are equally at home back or forward, you can sleep soundly on pre-match nights! Monds has its own ricochet genius, Simon Keleher, amongst a very effective back 6, and the battle between the ball deliverers the Deledios, Miller, Robbins etc (Monds), & Zika, Cahill, Atherton et al (Reds), will decide who wins the 1st 2005 C Section promotion! But after watching Cianti & Maghamez in action last week, I think Reds will win a top game by 3 goals.

RESERVE

Reds & Monds have won one apiece this year, both close. I expect the Reds to win another close match by 1 goal.

1ST SEMIS SUNDAY

SENIOR

In R18 neither **Prahran** nor **Old Carey** had ideal preparations for today when they only kicked 5 goals between them! The Two Blues beat the Cs by 62 points in R14; & today, the Cs will field a combination that hasn't played a game together this season! So the omens for the Cs are not flash!

CARLTON

DRAUGHT

Prahran are much more settled and will have a huge advantage in football nous. Gerard Beven, Adam Sleight, Michael Radywonik, & Cuddles McCudden, to mention a few, are all playing well, and should ensure Prahran settles down quickly & gains the early advantage so important in Finals. On the plus side for the Cs, there will be some players that the TBs haven't seen before, & overall they should have an edge in youth & pace. Led by Kent, Evans, the Bull Bros, the Angus Bros, Thompson, Zavec, & Unkles the young Cs will provide spirited opposition, but it's hard to see them beating a Prahran that should win by 4 goals **RESERVE**

Old Carey & Old Mentonians are 1-1 this season but the Panthers are now travelling better & should win by 4 goals.

M I L E S T O N E S

Old Carey - Andrew Kent, Tom Evans, Damian Shutie, Paul Niven, and Joel Ashworth have reached the 50 game milestone at Old Carey over the last fortnight. Kenty is a dynamic midfielder and occasional forward finisher who has won a past senior Best & Fairest, and has also represented the senior rep side, whilst also being a gifted cricketer. T has slotted into senior football with ease this year, making his senior rep side debut whilst having previously won an Under 19 comp Best & Fairest. Shooter has battled doggy hammys, however when fit is a hard at it and explosive senior player, both on the ball and up forward. Nivo won the under 19 best and fairest award last year, and has brought his hard at it game straight into the seniors. Ash has gone from a being a leading goal kicker in the unders over the last couple of years to become a developing on-baller with great effect.

D2 SECTION by Andrew Wu & Peter Williamson

Old Geelong sounded an ominous warning leading into the finals, while **Bentleigh's** narrow escape at **Swinburne** could not save it from playing in D3 next season.

At the pointy end of the ladder, the **OGs** pummeled **Rupertswood** by 62 points to claim the minor premiership and enter the finals at unbackable odds. The Woods challenged in the first term, leading by three points at quarter-time before the Ogs controlled play kicking 17 goals to seven for an easy win. Dave Kimpton booted five and the Ogs now have an embarrassment of riches up forward with Casboul and big Vickers also capable of kicking bags.

Peninsula had a good final round blowout against **La Trobe**, running away in the final term for a 27-point win. Payze booted another seven and if he can carry that form to the finals, then the Pirates will be a team to watch. As for the Trobers, they will be disappointed to not play finals after starting the year so well.

Oakleigh proved itself the best team out of the finals when they beat fourth-placed **Williamstown** by 43 points. Dalton bagged five and Briggs four as the Krushers bagged their ninth win for the year. After being promoted last year, the Krushers can look forward to a profitable 2006, while the Seagulls must regroup before their elimination final with the Pirates. **Ivanhoe Assumption** escaped relegation after a fighting 25-point win over **Salesian**. Keiran O'Dwyer booted four while Eilan Healy, Paul Harris, Chris Tucker and Aiden Boyd all starred. The Hoes led at every change but Salesian booted the first two of the final term to get within 14 points, but the Hoes steadied to record a memorable victory.

But the news was not so good for **Bentleigh** and **Swinburne**, with the pair both relegated after the Demons' eight-point win. The Demons set up their win with a seven-goal to one third quarter, setting up a 35-point break but coach Manny Debono roused his Razorbacks for one last challenge. It almost worked, but a stray shot from Matthew Higgins denied them what would have been their only win of the year.

"Old Geelong have been the best team all year and will once again show why by advancing straight into the Grand Final."

PREVIEW

Double header at Central Reserve, Glen Waverley, this weekend, with the final composition varying to a degree from my pre-season prognostications. **Old**

Geelong were always considered a strong contender, and

Peninsula OB, after a slow start, eventually fulfilled expectations. After being considered a better than fair chance for finals, **Rupertswood** did well to clinch a top two spot, and **Williamstown CYMS** were part of a fringe group who kept the race for fourth spot interesting until the penultimate round of the season.

Second Semi

Saturday's game sees a rematch of last week's contest between first and second spot as **Old Geelong** once again take on **Rupertswood**. The OGs scored a great win last week to take some extra confidence into today's battle. Although he wasn't amongst the goals last week, Casboul was still influential in the game's outcome, while the form of Legoe will be a further boost for the OGs going into the finals. For Rupo, they will be looking to the likes of Burrows and Spinner to provide the "bouncebackability" required for another hard slog against the OG juggernaut. Certainly not impossible, especially with the one-off nature of finals football. However, Old Geelong have been the best team all year and will once again show why by advancing straight into the Grand Final. Old Geelong to win.

First Semi

Sunday's match between **Peninsula OB** and **Williamstown CYMS** may appear to be a foregone conclusion on paper, but games played on paper won't even win you paper cups. Yes, Willy have been inconsistent since their golden midseason run, but Peninsula's recent finals history isn't all that flash. **I think that man Payze though will be a focal point**

for both teams (for different reasons, of course), although Phemister has also had his share of goals this season. Lee and Wuchatsch will be other players to watch for the CYs, while the likes of Murphy, Powney and Wood have shown good form for the Pirates in recent weeks, and may well be influential today. In the end though, we must bid thee a farewell to one of these teams, and I feel that Peninsula will have too much class for Willy. Pirates to win.

In the **Reserves**, I'll take **Old Geelong** to make it a daily double over **Rupo**; and **Willy** to provide some continuing interest for their fans and overcome the **Trobers** in a close one.

Ivanhoe Assumption - congratulates former coach **Doni Valkanis** on playing his **100th** and final game for the club last Saturday. "The Fox" joined the Hoes in B-grade in 1997, coaching for four seasons including the C-grade finals in 1999. He continued playing as a hard-hitting opportunist forward under three successive coaches, playing in the D1 finals in 2001 and D2 finals last year. He topscored for the Hoes with 47 goals last season - a top effort for a 37-year-old. All at 'Hoe Park thank Doni for his dedication, commitment, passion and inspiration over the past eight years. We also thank his wife Liz for her unstinting support.

Old Geelong congratulates **Jamie "Dinga" Bell** and **Nick Betts** on both playing their **50th** game for the club in Round 18. Both have been great contributors in recent seasons and the Ogs hope for many more games from the pair.

5 YEARS AGO - 2000

In the last game before finals, **St Bernards**, stayed on top of the A Section ladder but lowered their colours significantly to cellar dwellers **Old Melburnians**, 13.11 to 18.13. St Bernard's president, Andrew Vinecombe, was not impressed when A Section scribe, Brad Beitzel, congratulated the Bernies on the "minor premiership". 'It means nothing' said Mr Vinecombe as his club prepared for the finals.

Second placed **Old Xaverians** also had a hiccup when they lost to **Marcellin** by 12 points and maybe **Uni Blues (third)** and **St Kevins (fourth)**, both with good form of late, would be more than confident of upsetting the big guns in the coming weeks.

In B Section the leaders, **Old Brighton**, showed no mercy to bottom placed **Old Mentonians** and won in a canter, 21.22 to 9.5. Best for Brighton; Perry, Dennis, Jackson (5), Tymms, Nickas and Parnham. For Mentonians; Costello, Flaskis, Webb, Ferguson (5), Mullen and Dart.

In the C Section first semi-final it was a fierce opening between **AJAX** and **Hampton Rovers**. Inaccuracy could have been very costly for AJAX but their pace and determination proved too much for the Rovers and they ran out relatively easy winners, 12.21 to 11.8. Best players; Dukes, Gold, Blashski, Kalinski (5), Gelbart and Bram (AJAX) and S Anderson, B Boyd, M Lawrence, Scarlett (5), Busby and Fletcher (Hampton). Field umpires were Richard Eastwood and Robert Sneddon.

The C Section second semi-final was a thrilling contest between **Beaumaris** and **Therry Penola** and the final margin, 8.16 to 6.13 in Beaumaris' favour, was the greatest margin between the two teams all day. Best players; A Quin, Nicholson, Philpott, McLean, George and Ensor

(Beaumaris) and R Bannister, Edwards, S Bannister, D Goodwin, Crotty and Robinson (Therry).

In D1 both **Monash Blues** and **Caulfield Grammarians** clubs enjoyed their respective days at the section finals. Monash seniors and reserves were victorious in the first semi-final against **Aquinas** and similarly Caulfield's two teams dealt with **St Leos Emmaus** and **Old Essendon**. In Monash seniors' 12.11 to 9.12 win their best were listed as Furnell, Morrison, McGee, De Young, Gregory (5) and Caldwell. Caulfield won their "thriller" in extra time with a final score of 19.17 to 18.4 and they applauded Will, G Harrison, Widjaja, Amiet (7), Synman and Cossart-Walsh.

10 YEARS AGO - 1995

In A Section, at the mid point of the second quarter in the final round fixture, **Old Scotch** were assured of the double chance with a 45 point lead over Ormond who seemed destined to appear in the first semi-final the following week. Whittling the lead back slightly but still trailing by four and a half goals at the main break, Ormond seemed determined to fight it out and had gained a further six points in the third term. Late in the final term, Ormond finally hit the front, then Scotch had the chance in the final minutes but only kicked a point and the Monds held on 14.6 to 12.14 and grabbed second spot. Brett Connell was outstanding for Ormond, backed up by Collins, Gallagher, Presser, Sebo and James. Price, Pritchard, Gibbs, Hosking, Fuller and Paterson could not be blamed for Scotch's capitulation.

The joint B Section scribes, **Drew Solley** and **David (Dutchy) Holland**, had to report on their club's pending relegation

to C Section for 1996. Dutchy's additional claim that this was the first time their club had been relegated (and Drew was the current club captain) made it an especially sad report! Better news for the **Mazenod** club whose win over **Therry** resulted in the two teams swapping positions, Mazenod to second, Therry to fourth. It was an even contest until Mazenod produced six unanswered goals in the final term on their home ground. Final score 16.23 to 12.9 and best players; Verbeek, Belleville, Fisher, Ellin (5), Barker and Murray (Mazenod) and Ramsay, Castaldi, McKay, Baker, Watmore and Petrevski (Therry).

In the C Section finals, **Marcellin** 12.9 defeated **Old Geelong** 10.14 in the first semi-final and **Old Ivanhoe** 19.5 defeated **Ivanhoe** 14.13 in the second semi-final. Anthony Caffry had extra reason to celebrate when he recorded his 200th amateur game (140 for Marcellin 60 for MHSOB) and kicked 3 goals in his side's win.

20 YEARS AGO – 1985

Collegians finished on top in A Section when they decisively accounted for **North Old Boys**, 15.8 to 10.12, at the Harry Trott Oval. Led by the consistent Steve Laussen, other good players for the Lions were Schmidt, Irvine, Roberts (4), Wolff and Wright. Best for NOBS were Carroll, Lynch, Hibbert, O'Rourke, Dore and Du Bois.

Some competition **Best & Fairest** were announced in the footy record. **D Section** – 1st S Cowley (Old Trinity), 2nd A Tirschett (North Brunswick), 3rd T Lawley (West Brunswick). **E Section** – 1st R Morley (Bulleen United), 2nd C Farrington (Elsternwick), 3rd S Wiltshire (Peninsula). **F Section** – 1st V Zanin (UHSOB), 2nd C Bilby (Old Essendon), 3rd T Pazianas (Clayton), Under 19 Zone 1 – 1st G Kouzlinos (Thomastown), 2nd L Morse (NOBS), 3rd R Smith (Bulleen Templestowe).

30 YEARS AGO – 1975

The C Section semi-finals were concluded

and **Parkside's** season was over as **Old Ivanhoe Grammarians** disposed of them comfortably, 20.19 to 12.11. Best Players; R Stevens, B White, Constantinou (4), Gee, Love and Claringbold (Old Ivanhoe) and Keogh, Green, Carruthers, Dryden (4), Quaiffe and Howell (Parkside).

The second semi produced a much closer game when **MHSOB** 15.18 beat **St Kilda CBC** 15.10. Best players; Cooper, Cormack, Ponton (3), Haylock, McKenzie (3) and Cherry (MHSOB) and Hinrichs, Carroll, Calleja, Drinan, Vickers and Jennings (3) for St Kilda CBC.

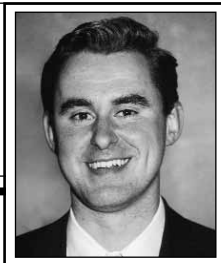

40 YEARS AGO – 1965

In A Section **Coburg** (fourth) could go out of the four and they lined up against **Old Paradians** (third) at Coburg's home ground. Coburg really meant business in the first term with 6 goals to 3. They maintained their lead at half time and with OP's drawing closer by the minute ran out winners 9.10 to 7.12 and the two combatants would do it all again next week in the first semi-final. Best players; Callahan, Scanlon, Condron, Carolan (3), Merrick and Gardiner (Coburg) and Parker, Quinlan, T Booth, Ford, Peyton and Boyle (Paradians).

50 YEARS AGO – 1955

In A Section the final four could not change regardless of the round 18 result, however, **Commonwealth Bank**, second bottom, threw some concern into the **Uni Blues** (fourth) camp by winning 9.10 to 7.14. **Ormond**, clear on top, played **Uni Blacks** (third) and extended their premiership favouritism with a solid 9.16 to 4.11 victory. Two games clear of **Old Melburnians** (second), who would stop **Ormond** in the final series?

In B Section the strong **Coburg** combination were "minor premiership" winners with an undefeated record after the home and away rounds. Below them, **Collegians**, **Old Scotch** and **Parkside** would be hard pressed to make any inroads into Coburg's undefeated status, but, finals footy in the coming weeks could have the opportunity to provide upsets.

Review

The **West Brunswick** versus **South Melbourne** match mattered little in the ultimate scheme of things, though Magpie coach Angus Hamilton would have been hoping to turn around his team's form slump regardless. Unfortunately for him and his side, the Swans proved too strong and he must go into the finals with the worst form of the four and a big turnaround is required for next week.

The second match that mattered little to the ladder was the **St.Johns** versus **Westbourne** match, though many would have thought it was a final due to the frenetic pace of the match. The Warriors, led by the brilliant "H-Cha" blitzed the shell-shocked Jocs in the opening ten minutes, piling on six goals before they had a chance to go inside 50. However, from that point on, it was the Jocs who controlled the play and slowly fought back to get within 5 points with plenty of time left. The Warriors held on though, to get the dark shorts next week.

In a great win for the club, **UHS-VU** ensured their D3 survival with a heartwarming 8-goal win against **Monash Gryphons**. It was a close match up until half time though and it was not until Hams, "Freak" and Greed stole the show and piled on a seven-goal quarter to seal the win.

Werribee, who have now firmed as premiership favorites, showed some ominous signs as they destroyed a **Syndal** team who were fighting for their D3 survival. While the Synners began strongly, they did not have the firepower to counter the likes of Stornebrink, Spry or Keogh as the Bees finished deservingly atop the D3 ladder.

Power House ended a dismal season going down to a **Kew** side that bounced back after an ordinary second half to 2005. After an even first quarter, the Brown's midfield got on top and piled on 10 goals to set up a match winning lead. Defenders Lafranchi and Doig stood out for the Browns who would be satisfied to remain in D3 next season.

Preview

Seniors – 2nd semi

Werribee go into today's 2nd Semi as deserved favorites after a stellar home and away season. With in influx of fast running youngsters combining with their high quality experienced personel, the Bees look to have what it takes to go all the way should the weather remain fine. **St.Johns** have also had a good season, and actually beat the Bees earlier in the year,

however, the Bees more than made up for this on the return leg, where they flogged the Saints.

If the weather is dry, you cannot go past Werribee. They have an strong backline, awesome midfield and the "Generals" up front have converted their chances to see the side average about 20 goals a match. Therefore, Werribee will be the first to book a ticket to D2 and perhaps even bigger things in a couple of weeks with a 28-point win.

"If the weather is dry, you cannot go past Werribee."

Seniors – 1st semi

In the 1st Semi, the **Warriors** take on the **Magpies** in a replay of the match two weeks ago, where Westbourne were convincing winners. This match will be a different proposition though, with many pundits believing the West Brunswick boys have been playing possum in recent weeks in preparation for this match. However, I am hearing none of this as I have watched the Warriors gain momentum over the past two months and appear to have what it takes to take the next step. In picking a winner, I believe the battle between the skippers in "Platters" and "Benji" will have a major bearing on who will take the honors. That said, I am going with the Warriors to set up an intriguing preliminary final bout after a 21-point win.

CARLTON DRAUGHT

Reserves

The second semi match between **St.Johns** and **Monash Gryphons** is an intriguing battle given that the Jocs have won convincingly in their previous two meetings. However, the Gryphs have had their sights on this match for sometime and with the Jocs also in the senior finals, the Gryphons may go in with a stronger side on paper. However, I am sticking with the Jocs to win today as their boys will be pumped and hoping to set the tone for their senior teammates. St.Johns by 18 points.

In analysing the 1st Semi between **Werribee** and **South Melbourne**, one has to consider the effort South had to put in to make this game, and contrast this to Werribee who suffered at the hands of senior injuries midseason, but have shown they are one of the best reserve sides going around when the seniors are nearer full strength. This could be said was the case in the Round 14 match where South surprised the Bees to record a memorable win, although I think it will be a much tougher assignment today. For my winner, I think Werribee will be far too talented for the Swans and will book a ticket to the Preliminary final with a 38-point win.

Correspondents

Please get both senior and reserve reports to me at gavan.flower@spotless.com.au. I will not be at any of the matches (off to the Ashes!!) so it is important I get these reports to comment on your teams. Also, please forward me your nominations for **Team of the Year** to be published in the Grand Final edition of the AF.

MILESTONES

St John's would like to congratulate both **Glen D'Oliviera** and **Matthew Phaenonos** on reaching **50 games** this weekend. Both Glen and Fanny joined the club in 2003 in our Under 19's and since then have become important members of club. Both have been in fine form this year and we all look forward to a great finals series from them.

Annual Dinner highlights

Our pre-finals dinner was held last Monday night at the Victorian Club and a huge night was had as usual. After plenty of eager starters got to the "curtain-raiser" at the Sherlock Holmes at about 5pm, expectations were high for a big evening. Our guest speaker was the AFL's MC - Craig Willis who entertained the crowd with some interesting stories, including Lleyton & Bec's wedding. The award winners were: Life Memberships to **Bernie Jephson & Vin Vescovi**. Ten Year Service Awards to **Peter Griffiths, David Murray, Tim Sutcliffe & Paul Tuppen**. Most Improved Field, Boundary & Goal were to **Daniel Silfo, Peter Monotti, & Gavin Roberts** respectively. Golden Whistle Award (Most potential to umpire at the highest level) to **Joe Hartwig**. Andy Carrick Award (Admirable service to the lower sections) to Michael Forde. Best First Year Umpire Award to **Shane Mackintosh**. Bob Dunstan Award (Exceptional service to the VAFAUA) to the **VAFA's Sue Anderson**.

A fantastic night, and a big thank you to John Robinson for his organisation of yet another successful Annual Dinner, The "after-party" (just across the river) had plenty in attendance.

A *fantastic night, and a big thank you to John Robinson for his organisation of yet another successful Annual Dinner...*

Goalies news

Few things happening in the world of goal umpiring. Congratulations to another one of Shane's young guns in Anthony Kyrkou who umpires his first A section game today. Also a long overdue and belated

congratulations to Gavin Roberts who made it into A section earlier in the year. Sorry we didn't mention it at the time Gav. Welcome back to Daniel Kofoed who made it back into A section last week after recovering from a knee dislocation.

City to Surf

What better way to recuperate from running 10 - 15 km in a Saturday game? Jump on a flight to Sydney, pull your runners on and participate in the biggest footrace in the world! Four members of the Ammos senior umpiring squad backed up their games a couple of Saturday's ago by running the 14km City to Surf in Sydney on Sunday morning. All four broke the 70 minute / 5 minute per km barrier with Jason McNiece (59:36) getting the bragging rights from Albie Firley (60:42). Meanwhile Wayne Hinton (62:48) will be letting Simon Olive (65:53) know all about leading him home for the rest of the season. Olive complained of a 'Bledisloe Cup' interrupted preparation for the race. It was just as well he ran to Bondi - he couldn't have driven! The 3 votes for post-race performance certainly were well-earned by Albie Firley for his diligent 'rehydration' policy which took in several venues in Bondi, Woolloomooloo and The Rocks.

Season's over?

Your team's finished for the year? One way to stay involved in finals is to be an umpire. Come down next year and you might just have a longer season and experience the finals buzz. For more details on what to do and who to see, contact the VAFA's Umpire Operations Manager, Brian Goodman on 9531 8333 or email brian@vafa.com.au

With 18 rounds now down, it's time for the business end of the season. Congratulations to Elsternwick, minor premiers in both the Seniors and Reserves.

Round 18 Review

Box Hill North headed to **Eltham** hoping to finish the season on a high note, and again started the game firing, booting five goals to one in the first term and still held the lead at three quarter time. But the class of the Turtles eventually shone through and they ran out 9 point victors.

North Brunswick hosted **St Mary's** hoping to cause an upset and give the Saints something to think about going into finals. But all went to plan for the visitors, who were rarely troubled and ran out convincing 90 points winners with Ryan kicking six.

"Congratulations to Elsternwick, minor premiers in both the Seniors and Reserves."

Richmond made the short trip to Rathmines Reserve knowing full well they could derail the Hawks chances at second spot. Needing a big win, **Hawthorn** started well, but couldn't maintain the scoring they needed despite the efforts of Saulle in the middle.

Bulleen had their second place destiny in their own hands, and with ten goals to none, had their place booked at quarter time. Whilst **Albert Park** tried hard all day, they were no match for the pressure and pace of the Cobras, who eventually ran out 124 point winners.

Semi Final Preview

The season now heads south with the finals being held at the Cheltenham Recreation Reserve. Elsternwick go into the finals series deserved favourites, but the others will be well aware of their mid season slump and will all fancy themselves as realistic contenders.

The 2nd Semi Final sees the **Wicks** face off against **Bulleen** on Saturday. In Round 12 the Cobras were triumphant in the wet, reversing their loss from earlier in the season. The game could be decided by which backline can keep the opposition gun forward in check with a Hunter vs Badanjek shootout likely. Coach D'Angelo seems to have his charges Cherry Ripe at the right time of year, but if the weather stays fine, Elsternwick should sneak straight through. And in the 1st Semi Final, **Hawthorn** face off against **St Mary's** for the second time in three weeks. It was the Saints that day, and this one will most likely come down to who can best adjust from their small home ground to the open spaces at Cheltenham. It was a close one in Round 17 and this game should be no different, but no surprises in me tipping the Hawks.

DRAUGHT

Reserves

Elsternwick again feature in the 2nd Semi, this time against **St Mary's**. It was tight in the top 3 of the Reserves this year and the finals series should be no different. The Saints got up by a couple of goals all the way back in Round 10 and on that I'll give them the nod for this week.

In the 1st Semi, **Eltham** will be trying to take something from the season with their seniors having missed out, whilst **Hawthorn** will be trying to get two teams into the Preliminary finals. It was a draw between these teams last time, but again, I'm on the Hawks.

Correspondents

Ed will be back in the country for the exciting finale to the 2005 season, so any reviews or comments can be emailed to him at ed.sill@locker.com.au. Many thanks to those of you that helped me out over these past few weeks.

M I MILESTONES E S

Elsternwick - At today's second semi final, dashing backman **Mark Thiele** plays his **50th game**. A former Old Haileburian, he has slipped into the defensive position at the Wickers, and leads one of the most miserable defences in the competition. A strong leader within the club who we look forward to playing many more games.

FINALS ELIGIBILITY

Finals eligibility rules are found under Rules 51-55 of the Association.

Below is a brief summary.

Senior - (1st XVIII teams) Any registered player with a permit can play finals (except AFL/VFL players with a permit – see below).

Reserve - (2nd XVIII teams) Players must be registered and must have played at least four (4) reserve grade matches and not more than ten (10) senior matches in the home and away games (first round).

Where both first and second XVIII's are playing on the same day the reserve grade player must only have played two (2) games in either the seniors or reserves to qualify. For clubs with teams drawn in semi finals on different days of the same weekend (ie. 1st semi Saturday, 2nd semi Sunday – read as above teams playing on the same day).

Under-19 teams - Players must be registered and hold a permit. If a player has played an aggregate of more than 5 senior and reserve matches he must have played more than 5 Under-19 matches during the season.

If a player is ineligible due to having played more than 5 senior and reserve matches and does not gain selection in his club's senior team in the first second round match, he is then eligible to play in any subsequent Under 19 final.

Where a team has (2) U19 teams or is involved in hybrid arrangement, the following shall apply.

Where a club has two U19 teams a player must have not played more than 10 matches with the U19 1 side to play in the (2) team.

To represent the hybrid team in the finals the player must have represented the hybrid team in (5) first round matches – not including finals.

Club XVIII teams - Players must be registered and have played in at least four (4) Club XVIII matches (for the team they wish to represent) and not have played in more than a total of eight (8) senior and reserve matches during the first round.

Where a club has two or more Club XVIII teams a player must have not played more than 8 matches with (either of) the higher placed side(s) to play in a lower team's final.

An **AFL or VFL listed** player will be eligible to play in the finals for his:

- a) VAFA club as long as he has played a minimum of five (5) VAFA matches for the team he wishes to represent in the finals. At least two (2) of these matches must have been played after June 30th.
- b) Senior VAFA team as long as he has played a minimum of five (5) senior and/or U19 VAFA matches for the team he wishes to represent in the finals. At least two (2) of these matches must have been played after June 30th.

A **TAC Under 18** player must have played five (5) VAFA matches for the VAFA team he wishes to represent in the finals. For TAC players there is no requirement to play a certain number of matches after June 30th.

ELSTERNWICK PARK GATES

F.I.D.A. REPORT

Semi - Finals

The first week of finals was a successful day, with all convincing wins to the victors to make their long awaited entrance to the 2005 FIDA Grand Final.

The first game played was between **Port Colts 1** and **Bulleen Templestowe**. This game was only challenging for the Colts for a quarter until they went bang kicking 7 goals to nothing the end score. **Port Colts 1** 10.7 (67) to **Bulleen Templestowe** 2.2(14).

The next game played was between **Kananook 1** and **Broadmeadows 1**. This game was very similar where the game was competitive for a quarter and a half then **Kananook** slammed on 6 unanswered goals. The end score reads. **Kananook 1** 10.5(65) to a hapless **Broadmeadows 1** 2.3(15).

The next game saw **Maribyrnong 2** defeat **Broadmeadows 2** easily for a good warm up for the Grand Final. **Maribyrnong 2** 7.14(56) to **Broadmeadows 2** 3.1(19).

Mazenod 1 played **Kananook 2** in match of the day where we saw 2 teams fight hard for the ball to make sure they helped their team reach the Grand Final. **Mazenod 1** in the end a little too good winning 5.4(34) to a gallant **Kananook 2** 2.7(21).

North Ballarat are still holding great form thrashing **Maribyrnong 1**.

9.13 (67) to **Maribyrnong 1** 1.2(8).

The last game of the day was between **Mazenod 2** and **Mambourin**. I thought this game was going to be a close game with a heart stopping result but that wasn't the case. **Mambourin** playing a great game won 8.10(58) defeating **Mazenod 2** 2.1(13).

Grand Finals

Here we are the 2005 FIDA Grand Finals, we have three brilliant games to preview with all well deserved teams competing for the major prize (A PREMIERSHIP).

All of the section Grand Finals will be played at the home of Amateur football (Sportscover Arena) and should bring a great crowd to all the games.

The first of the Grand Finals is a section 3 match which will be played between **Maribyrnong 2** and **Mambourin Tigers**.

These 2 teams have had a great year with their consistency and determination at the ball has helped them get to where they are now. My prediction in a close game should see **Maribyrnong** win by a slim 14 points.

The next game to be played is the section 2 match between **Port colts 1** and the brand new **Mazenod 1**. These two teams throughout the year have been the major standouts in their section and have had close games when playing each other.

In a great showcase of Division 2 FIDA football I think the **Colts** will have the upper hand on this big day and win by a minor 8 points.

This is the big one, **Kananook 1** vs **The North Ballarat Knights** in the much awaited Division 1 match.

Kananook 1 has dominated the competition for a number of years now and are still carrying good form, but in saying this the **Knights** have had a great year, even beating **Kananook** during the season. These teams are close in skill, strength and determination to win the football so for a great way to end the year the boys are going to put on a showcase which may see the **Knights** win by a solitary point.

Good Luck to all teams competing in the Grand Final and may you all have an enjoyable day.

Section One

2nd semi final

After more than five months of football the business-end of the season has finally arrived with four sides preparing to do battle for the 2005 flag. Minor premiers Marcellin meet Collegians in the second of two semi-finals this Saturday with the winner to book a spot in the Section One Grand Final in a fortnights time. Already guaranteed their highest finish since 1991, Marcellin are slim-favourites heading into the finals series but will face stiff opposition this weekend from the boys in purple and gold. Aiming to become the first side to win back-to-back section two and one flags since 1982, expect a spirited showing from Collegians who are 1-1 against Marcellin this season including a 16 point win just three rounds ago. Marcellin by 11pts.

1st semi final

It's do-or-die for De La and Uni Blues who meet in an elimination semi-final this Sunday afternoon. After a slow start to the season De La have shown plenty of promise of recent, the reigning premiers still in the hunt to become just the second side since 1990 to defend the section-one title. However despite just scraping into the top four the Uni Blues can't be written off, the finals specialists with history on their side having contested five of the last ten Section One grand finals. De La Salle by 7pts.

Section Two

The Bears tuned up the machine with a lazy 160 point win over the Fields whilst Old Camberwell also belted Beaumaris to the tune of 23 goals. The Friars finished in a credible 6th spot after a workmanlike win over OMs at Albert Park. On-field ascendancy didn't turn into scoreboard joy for the visitors until halfway through the second quarter when O'Callaghan and Mandicos found their range. Hobbled by injury, inspirational skipper Nick Crowe was the game-breaker in the 3rd. Well done to Daly and the Friar boys. The most pertinent result was Rupō's win over the league leaders, which bodes well for the next three weeks.

1st semi final:

Rupertswood -v- Old Camberwell

Look no further than round 16's result to see where the form lies here. Provided Rupō can keep Hiller quiet, they have too many hard-

running, goal-kicking midfield options for Camberwell to shut down.

Rupertswood by 31 points

2nd semi-final: Banyule -v- Old Carey

The OC have led from go-to-whoa, until last week's stumble against Rupertswood. The Bears have awesome firepower and, provided they can win enough of the footy around the ground, I think they'll earn a week's rest. Banyule by 19 points

Section Three

The Hoers finished strongly with a 7 goal win over La Trobe. Meanwhile, the St Bedes MT's -v- MHSOB clash wouldn't have been one for the scrap book as the sides booted a combine 3 goals 19 points for the night!! Obviously the 13th MHSOB point wasn't too unlucky for St Bedes MT, as they held on grimly to 4th spot. Cleary was unstoppable as Oakleigh dispatched Bentleigh before half-time. Meanwhile Monash upset AJAX, but kept the spoon. Finally, the Second Semi Dress Re-hearsal saw both sides display high pressure football with neither team giving much away. The game contained

numerous bone jarring clashes, one which saw Battista sustaining a serious injury to his arm. The Students win amounts to nought if they can't repeat the dose this Saturday.

1st semi final: Oakleigh -v- St Bedes MT

Who gives St Bedes MT any chance in this one? The recent form of Oakleigh is compelling, but the Tigers have a bit of fight and some gun young players in the wings. They'll go close....but not close enough.

Oakleigh by 28 points

2nd semi-final: Old Paradians -v- Uni Blacks

Will Battista play? Will Paradians get their gun players back? These are the two major factors in determining whether last week's result will be repeated. I'm thinking the motivation of making up for their efforts will be sufficient for a Raider upset.

Paradians by 10 points

Blue Section

It was a pretty stock standard finish to the regular season fixtures, with all favourites prevailing, most ominously Ormond easily over Mazenod. Strong defence from Duthie Johnson and McGirr combined with running through the midfield by Knoester Evans and Brosnan allowed Ormond to kick 17 goals from quarter time. De La rolled over in the last quarter and let Salesian tune-up for this week, going down by 8 goals. The Bloods finished their season off on a high note, running away from the O'Clays. Due to a ground clash, the Rovers - Pirates game was moved away from La Boss. Undaunted, the Rovers recorded a solid 50-point victory. Gleeson booted 6, White kicked 5 and Semmel and Cannell provided good drive around the ground.

1st semi final: Salesian Scorpions -v- Hampton Rovers

The Salesian machine has coughed and spluttered into September (well late August) whilst Hapton has been steadier. Can Salesian rise to the occasion? Methinks they will. Dry day, good footy match.

Salesian by 14 points

2nd semi-final: Ormond -v- Mazenod

Last week's tune-up provides an excellent form guide, and it's Ormond all the way. Chisholm had plenty of mates up forward last week, and Coach Regan will have his work cut out plugging the gaps in his defence. Meanwhile, I'm concerned Mazenod lack sufficient firepower to support Bogar.

Ormond by 41 points.

Section Red

2nd semi final

Emmaus St Leos go into the Section Red finals series as one of the shortest favourites of recent years, the minor premiers destroying fellow finalists Aquinas last weekend by 87 points. Restricting their opponents to just one goal for the entire afternoon, Emmaus are in season-best form and should waltz to the 2005 flag with little opposition. However finals football is known for its unpredictably, and Kew will be hoping to

upset the premiership favourites when the two sides meet in the second semi-final this Saturday. Last time they played Emmaus flogged Kew by 72 points, and while the margin may be different this weekend the result should stay the same. Emmaus by 37pts.

1st semi final

An upset may be brewing at Parade College on Sunday, when third-placed Aquinas meets fourth-placed Old Westbourne in a battle to stay in the finals race. Aquinas started the season in stellar form but have struggled of recent dropping three of their last four games. Conversely Westbourne have begun to find form just at the right end of the season, their 68 point belting of Aquinas back in Round 10 the catalyst for their mid-season revival. Although Aquinas will go into the game as favourites due to their ladder position, expect an upset. Westbourne by 10pts.

CLUB XVIII SECTION

Review of Grand Finals

Grand Final day provided the large crowd with three exciting games of football, which all contained periods of drama and spine tingling excitement as fortunes fluctuated throughout each of the three games. My success rate stood at two out of three winners.

Section 3

Caulfield Grammarians started well with the aid of a good breeze blowing to the golf course end. **Whitefriars** were competitive however and trailed by only eleven points at the first change.

Whitefriars usual inaccuracy returned to haunt them in the second quarter as Caulfield continued to press forward. As half time neared Caulfield were able to bring themselves to within five points of the lead.

The third quarter developed into a battle of the defences as each side could only manage two goals during its twenty five minute duration. At the last change Whitefriars clung to a seven point lead and coming home with the wind, victory seemed theirs.

The last quarter started with a goal by Caulfield, which cut their deficit to one point. A goal shoot out then took place as the lead fluctuated. In many ways the last quarter was stolen by Whitefriars coach, Norman Elliott and by Caulfield veteran, Sam Stevenson. Coach Elliott led by example by kicking three goals himself and giving another to a team mate via a creative hand ball. The veteran, Stevenson revealed his talent by kicking two clever goals and through accurate foot passing to better positioned team mates. The unfortunate injury to Stevenson as the scores were tied was a severe set back to Caulfield, whose goal inside the last minute had tied the score.

For the first time in the present Club XVIII structure, extra playing time was needed. Whitefriars, against the trend kicked three

goals into the wind and held Caulfield scoreless. In the second five

minute period neither side scored and so Whitefriars triumphed by nineteen points.

Section 2

Old Essendon started well and into the wind they outscored **Old Xaverians** to lead by seven points at quarter time. With the wind, Old Essendon had managed to increase their lead to eleven points by half time. The third quarter ascendancy was with Old Xaverians as they were able to outscore their bigger opponents and by the twenty fourth minute mark, Old Xaverians had wrested the lead. Their elation was short lived as Old Essendon swept the ball forward and goal with only seconds remaining. Thus at the last change Old Essendon led by two points.

The last quarter saw the Old Xaverians open brightly. Their younger players were able to run out the quarter better than their opposition, who did tire and so lose momentum. Seven scoring shots to three

by Old Essendon, showed the last quarter resurgence by Old Xaverians, who shut out their opposition and cling to an twelve point lead at the final bell. After three seasons of disappointment, it was Old Xaverians who triumphed.

Section 1

The king is dead! Long live the king! Congratulations to **St Kevin's** who achieved the ultimate...premiership victory and stopping the seemingly annual **Old Xaverian** success.

The game, which was a low scoring one, developed into a battle of the two defences as numerous attacks by each side were repulsed. St Kevin's defenders negated the Xaverians first use of the breeze although the Red and Black combination led by three points at quarter time.

St Kevin's gradually asserted themselves during the second quarter and at half time the lead of eleven points was held by St Kevin's. Although St Kevin's appeared faster and in control around the ground they had been unable to put score board pressure on their opposition.

"The king is dead! Long live the king! Congratulations to St Kevin's who achieved the ultimate...premiership victory"

A big third quarter effort by the Old Xaverians, was somewhat negated by the St Kevin's effort to goal twice at the Glenhuntly Road end. At the last change Old Xaverians led by five points.

The game seemed to swing Old Xaverians way when well into the last quarter they led by fourteen points. For the second successive week, St Kevin's, like the phoenix resiliently arose from their own pyre, to kick two consecutive goals to trail by two points at the nineteen minute mark. Another goal at the twenty minute mark saw St Kevin's snatch a four point lead, to which they tenaciously held during the last five frantic minutes to win their first Club XVIII pennant.

Congratulations to all connected with St Kevin's and well down Old Xaverians on their enviable record, which has set the standard for all in this competition.

Thankyou

This column has been made more readable by those who have contacted me with details. From participating Clubs; Lee Kett (Eley Park Sharks), Leon and Janet Collier (Monash Whites) and Norman Elliott (Whitefriars) have been weekly correspondents. Umpire's Co Ordinator, David Windlow as well as his "offsider", Tony Robbins have given me regular summaries and best players from their games. Thank you one and all. I am also grateful for the friendly advice and open comments made to me when I have watched a particular side. The nature of these columns is that we must discriminate and can't select each team! Cheerio to my loyal readers for another season.
